DataTraveler 100 G2

This timeless black drive will always be in style.

DataTraveler® 100 Generation 2 (G2) is a stylish black drive that goes anywhere. Affordable and convenient, it lets you share, store and retrieve data in a flash. Carry all of your documents with you, wherever you go.

Built with simplicity in mind, DataTraveler 100 G2 features a capless design; the USB connector is safely housed inside the sleek case, so you won't worry about losing a cap. DataTraveler 100 G2 is available in capacities up to 32GB to give you plenty of room for all your documents, photos, MP3 files and video clips.

DataTraveler 100 G2 is customizable with Kingston's Co-Logo program that lets you promote your organization or brand. Backed by a five-year warranty and legendary Kingston® reliability, DataTraveler 100 G2 is a reliable, inexpensive solution for carrying your digital files everywhere you go.
