# HyperX FURY USB Flash Drive

## Win in HyperX style.

Beginners and pros alike will want HyperX® FURY USB Flash drive, with its bold and aggressive casing design that's in line with the latest gaming style trends. In multiple colors by capacity, its look stomps the competition and lets you stand out from the crowd while it complements the latest PCs and consoles.

Available in 16GB–64GB capacities, HyperX FURY delivers high-performance USB 3.0 speeds of 90MB/s read and 30MB/s write at a practical price. Like all HyperX products, it's designed to take your gaming to new levels. It's backed by a five-year warranty and free technical support.

> Bold HyperX design to stand out from the crowd

> 16GB to 64GB of storage to match your media content needs

> USB 3.0 performance for seamless data transfer
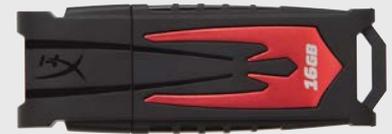

**SPEED**

| 3.0 | READ 90MB/s* | WRITE 30MB/s* |
|-----|--------------|----------------|

*Based on Internal Testing*

## HYPERX PART NUMBERS

HXF30/16GB Red

HXF30/32GB Blue

HXF30/64GB Black

1 Refer to console manufacturer for compatibility details. PS3, PS4, Xbox 360, and Xbox One recognize FAT32 format only. Xbox 360 supports up to 32GB.

2 Minimum quantity required. Performed at the factory.

3 Some of the listed capacity on a Flash storage device is used for formatting and other functions and is thus not available for data storage. As such, the actual available capacity for data storage is less than what is listed on the products. For more information, go to Kingston's Flash Guide at kingston.com/flashguide.

4 Speed may vary due to host hardware, software and usage.

5 Requires a host device with a USB 3.0 port.
