Kingston CompactFlash Elite Pro

lifetime warranty* | free technical support

Professional-grade memory cards for the most demanding imaging applications.

Imaging pros expect a lot from their equipment and can't afford to have a component limit their productivity or creativity. That's where Kingston's CompactFlash® Elite Pro™ memory cards come in. They're specifically designed to help advanced amateur or professional photographers get the best performance from their high-end imaging devices and applications.

No matter how fast you work, Elite Pro can keep pace. With its ultra-fast transfer rates of up to 10 MB/sec. read and 8 MB/sec. write, and up to 8 GB capacity, you can capture more continuous, high-resolution images in less time with the Elite Pro than with traditional CompactFlash memory cards. And when it's time to transfer your largest files, your production workflow will be more efficient than ever with Kingston's CF readers (see Optional Accessories).

When you purchase a Kingston® CompactFlash Elite Pro memory card, you're getting great Flash memory performance plus legendary Kingston reliability. If you have a question or concern, our technical service and support team is only a call away.
