

# Small and fashionable portable storage.

Kingston's DataTraveler® 109 is a fashionable USB Flash drive that makes it fun to connect and share photos, music, videos and more with friends and family. Its small, capless design easily attaches to a lanyard or key ring. It's a great accessory for slim notebooks and tablets.

DT109 comes preloaded with urDrive<sup>1</sup> software that features easy-to-use file management to help with file search, folder creation, renaming, sorting and capacity tracking. It also has a built-in Photo Viewer, Web browser, music player and online storage.

This handy USB Flash drive is a great promotional item for businesses; your company logo can appear on it to increase your brand recognition<sup>2</sup>.

DataTraveler 109 is backed by legendary Kingston® reliability plus a fiveyear warranty and free technical support.

- > Small artistic design
- > Easily attaches to a lanyard or keyring
