Affordability meets high capacity!

DataTraveler® 150 USB Flash drive is big news in mobile storage. With capacities up to 64GB, it lets you store more digital files than ever before on one drive. DataTraveler 150 from Kingston® helps budget-conscious users break storage barriers, allowing them to easily store and move files in a 32GB or 64GB device no bigger than a pocketknife. As easy as click and drag, DataTraveler 150 can hold just about any file you can think of — term papers, theses, digital images, spreadsheets or other important documents.

Backed by legendary Kingston reliability plus a five-year warranty and 24/7 tech support, DataTraveler 150 is a reliable, inexpensive solution for carrying digital files with you anywhere you go.
