USB 3.0 High-Speed Media Reader

Versatile card reader for seamless data transfer.

Kingston's USB 3.0 High-Speed Media Reader reads all major card format types and supports UHS-I and UHS-II SD card speeds, making it ideal for photographers, videographers, design studios and printing houses. This versatile reader lets you easily transfer photos, videos, music and other data between your favorite cards and your PC.

To maximize the performance of your memory cards and save time when transferring files, it features USB 3.0 high-speed performance with up to 5.0Gb/s data transfer speed, up to 10 times faster than USB 2.0.

The USB 3.0 media reader has a sleek design, with white body and brushed nickel case in a small form factor, with an easily read, built-in LED indicator. It's backwards compatible with USB 2.0 ports, which is convenient for systems with limited USB 3.0 ports. For peace of mind, it's covered by a two-year warranty, free technical support and legendary Kingston® reliability.

〉 USB 3.0 – up to 5.0Gb/s data transfer speed

〉 Sleek and stylish design with modern
  color combination

〉 Fast and easy data transfer between
  cards and PC
