

## SDHC Ultimate Class 10

## Faster speeds to capture more continuous shots and HD video.

Kingston's SDHC Ultimate Class 10 is designed for amateur and professional photographers who need faster speeds to keep pace with their evolving equipment. It allows users to easily capture sequential shots that used to be a challenge due to the speed limitations of memory cards.

With speeds up to 15MB/s write, the SDHC Ultimate Class 10 is ideal for anyone who uses their digital equipment for serious photography or video and makes it easy to capture HD video. It's available in 8GB, 16GB and 32GB capacities to capture HD video and RAW images.

Use Kingston's SDHC Ultimate Class 10 with your digital camera and you'll never miss a shot, whether you're photographing your favorite musician in concert or taking photos on vacation in the Caribbean.

The SDHC Ultimate Class 10 is covered by a lifetime warranty and legendary Kingston® reliability.

- 
- > High Speed Class Rating (Class 10)
  - > 100x of 15MB/s write performance
