HIGH-ENDURANCE microSD CARD

High performance & durable, record with confidence

Kingston's High-Endurance microSD Card is built to withstand write-intensive applications such as professional & home surveillance cameras, dash cams and body cams. With 24/7 seamless recording and playback in Full HD 1080p¹, it's guaranteed to capture critical recordings when you need it the most. The High-Endurance microSD card is engineered and tested for use in harsh conditions and is durable enough to protect itself from extreme temperatures, shock, water and X-rays². Kingston High-Endurance microSD Cards are available in 32GB-128GB capacities and are backed by a three-year warranty, free technical support and legendary Kingston® reliability.

- › 24/7 reliable recording¹
- › High-performance, seamless recording
- › Durable in harsh conditions
- › Save on monthly cloud storage fees by recording locally

FEATURES / BENEFITS

Continuous surveillance — 24/7 recording for professional surveillance systems¹.

Seamless and reliable recording — Whether you are on the road or in the comfort of your own home, the Kingston High-Endurance microSD Card is guaranteed to capture thousands of hours of video on your dash cam or home security camera¹.

High-performance, seamless recording — Record and transfer Full HD video files quickly with read/write speeds of up to 95/45MB/s³.

Durable in harsh conditions — Built and tested to be shockproof, waterproof, temperature proof and protected from X-rays².
